Introduction to Mendeley

We love hearing from our users!

I can summarize using Mendeley in three words: organization, standardization and speed.
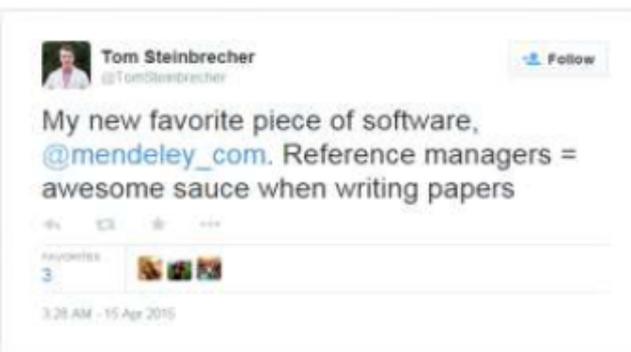

— Ibere Machado, ICMBio, Goiania, Brazil, Consultor

I believe Mendeley really can make a difference, really can change the way we do research. It makes our lives easier

— Thiago Camata, Doctoral Student in Physical Education, UEL - Universidade Estadual de Londrina

It has simply blown the minds of many who I have taught about Mendeley. The ease and simplicity of it is simply amazing. It is great to be able to have all the citations AND pdfs organized. Ability to work in groups has made being a part of research teams even easier.

— Amanda Horsman. Librarian, Bibliothécaire de référence du Centre de fromation médicale du Nouveau-Brunswick, Université de Moncton, Moncton, Canada

Hey (political) scientists out there:
Which programmes are you using to manage your readings/references?
(pease #RT). #followerpower

Thomas Lo Russo @lorousseau — Follow
@sibirio I can recommend Mendeley, its very useful and easy to handle in combination with MS Word mendeley.com

11:49 AM - 8 Apr 2015

EVERYTHING HAS CHANGED!!!! Now I can have all my readings organized with tags and subfolders while keeping only one copy of each article. Quick finding the ideas and concepts I have selected from each reading. Great WORD extension to add citations and reference list. It is indeed an amazing tool for research.

— Teresa Hernandez Gonzalez Assistant Professor Linguistics, Concordia University, Montreal, Canada

Medeley has literally saved my life! I was losing my mind over my masters degree studying as a foreign student in Belgrade, Serbia. All the odds were against me... Then I had an online workshop with Dr. Nellie Deutsche via WizIQ. And my life has never been the same since...

— Raymond Henderson, master's Student, ministry of Education, Commonwealth of Dominica, Dominica

# A global network with > 4 million users from the largest research institutions

Web

Mobile
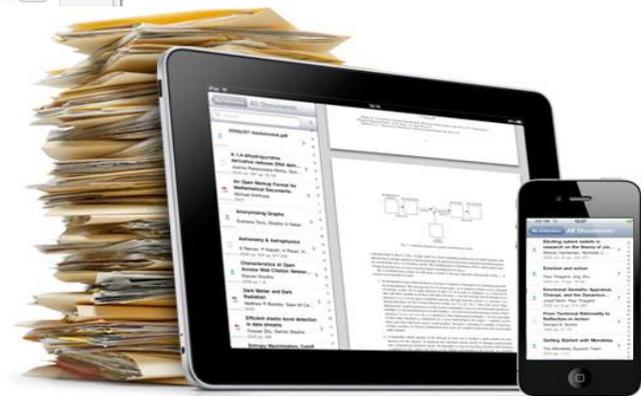

Mendeley's Three Key Values

"Drives Researcher Productivity"
Reference manager

"Enables Collaboration and Knowledge Sharing"
Research Network & Groups

MENDELEY

"Creates Additional Insights & Build Apps"
Research Data & API
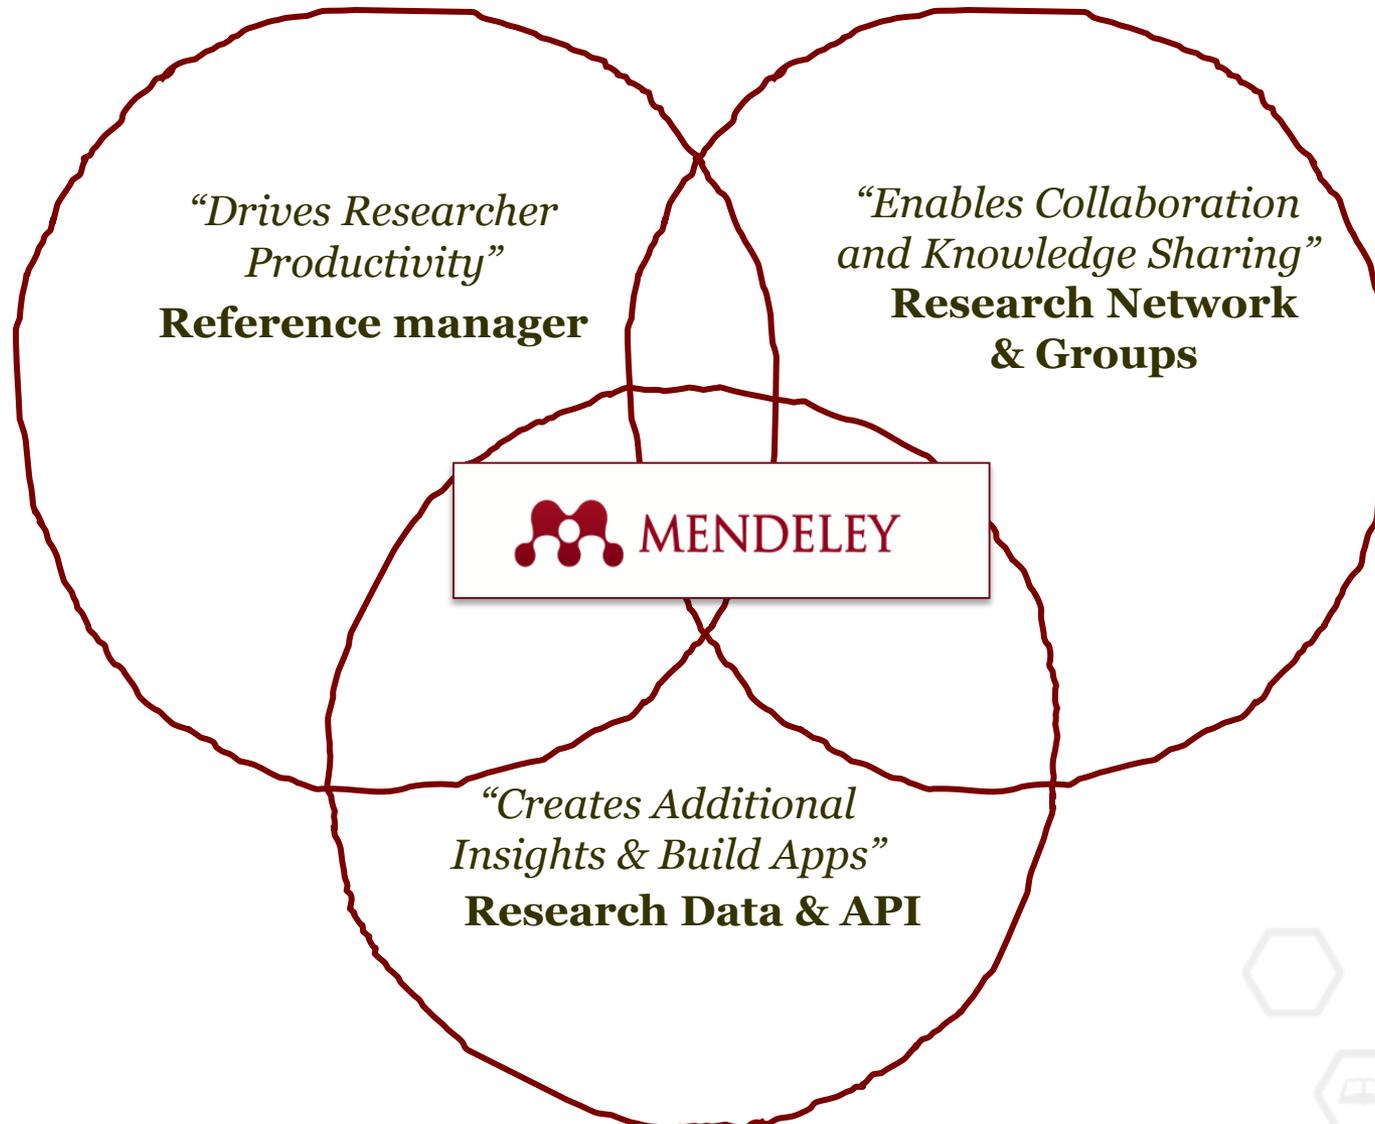

Who benefits from these key values?

Students, Early Career Researchers

Professors, High impact authors
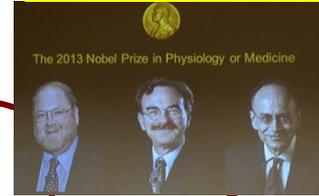

Librarians
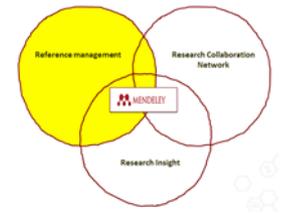

How Mendeley drives researcher productivity

Add and organize PDFs

Import and organize PDFs from your computer, EndNote™, RefWorks, Papers, Zotero, Mendeley importer, ScienceDirect, and Scopus

Read and annotate

Open PDFs and capture your thoughts through sticky notes and highlights.

Reference Manager

Generate citations and bibliographies in Microsoft Word, OpenOffice, and LaTeX. 7500 citation styles!
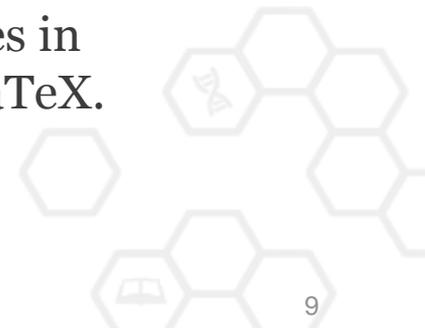

How Mendeley enables collaboration

Collaborate and interact
Find and connect with colleagues and securely share your papers, notes and annotations.

Backup and sync
Access your papers on the desktop, web, iOS, and soon Android

Network and discover
Discover papers, people and public groups.

How Mendeley provides valuable researcher insights
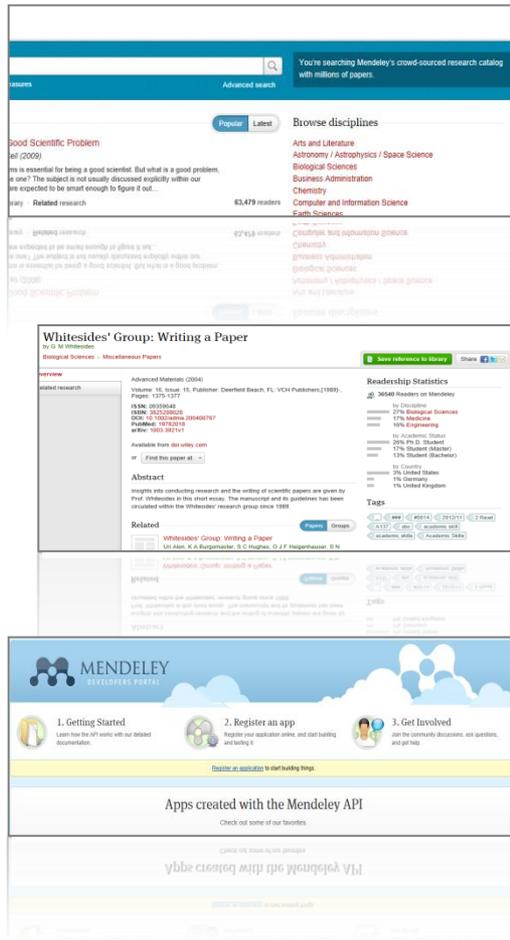

Crowd-sourced knowledge with stats
Crowd uploaded research catalogue with more than 400M documents

Detailed readership stats
See readership impact by discipline, academic profile, and geographic location of each paper

Developer's portal and APIs
Developers and researchers have created hundreds of applications based on Mendeley API and research recommendation dataset.

Mendeley Institutional Edition

- 12-months alumni policy
- Access to online training
- Pre-arranged train-the-trainer sessions
- Customized institutional roll-out planning
- Detailed institutional usage analysis report
- 24 x 5 global on-line solutions and customer services

What is Mendeley Institutional Edition?

"Drives Researcher Productivity"

More Storage Space

"Enables Collaboration and Knowledge Sharing"

More teams, more collaborators

MENDELEY

More Insight for Librarian: Administration & Analytics Dashboard

Plus all the institutional services:
- Alumni policy
- Access to online training
- Pre-arranged train-the-trainer sessions
- 24x5 customer support
- Deployment program services

Comparison Free Mendeley vs. MIE

Item	Free Mendeley	Mendeley Institutional Edition
Personal library space	2 GB	5 GB
Shared library space	100 MB	20 GB
Private group size (collaborators)	3	Up to 25
# of private groups	1	Unlimited
Mendeley Suggest Tool	No	Yes
Institutional Home Page	No	Yes
Link resolver integration	No	Yes
Analytics Dashboard	No	Yes
Customer Support Services	Via on-line only	• Elsevier OSCS • Priority on-line support
Training	Via on-line resource center only	• One customized train-the-trainer session • Access to on-line resource center
Deployment Program Services	No	Yes
Alumni Policy	No	Yes
