"könyvtárközi kölcsönzés" keretében az Előfizető székhelye szerinti országban található nem kereskedelmi könyvtárak megkereséseit teljesítse.

Előfizető Szolgáltató kérésére köteles eltávolítani folyóiratcikkek jogtalan változatait és engedélyt adni Szolgáltatónak, hogy az Intézményi repozitóriumokban megtalálható adatokat ellenőrizze. Szolgáltató jogot formál arra, hogy a ScienceDirecten is elérhető cikkek megjelenítésére és rangsorolására vonatkozóan fejlesztési javaslatokat tegyen.

Kivonatok a folyóiratcikkek PDF. első oldalának előnézeteit vagy rövid, tartalmilag releváns szövegrészeit jelentik, melyek tartalmazhatnak bibliográfiai metaadatokat, illetve a keresési eredmények függvényében legfeljebb 120 szóból álló szövegeket a teljes szövegű cikkekből.

- The Subscriber may print and deliver journal articles from Subscribed Titles and, if any, book chapters from the Subscribed Products to fulfil request as part of the practice commonly known as „interlibrary loan” from non-commercial libraries located within the same country as the Subscriber.

Subscriber is obliged to remove illicit versions of full text articles upon Supplier's request and allow Supplier to review the implementation of the Data into the Institutional Repository. Supplier will have the right to suggest improvements to the display and ranking of the search results for the articles that are available in ScienceDirect.

“Data” will be limited to the following: index terms, bibliographic information, headers, references, digital object identifiers, footnotes, acknowledgements, keywords, author affiliation, Snippets (as defined below) and abstracts, or any other data when included, of the full text articles. Abstracts may only be displayed on the abstract records on the Subscriber data's websites, all other services of the Institutional Repository, such as (but not limited to) alerts, e-mail services and API's may only display Snippets but not abstracts.

“Snippets” mean a first page PDF preview of the full text article or short contextually relevant query-dependent text or data which may include bibliographic metadata as well as a maximum of 120 words of query-dependent text from individual full text articles.

- A TDM Outputot harmadik fél rendelkezésére bocsáthatja, amely tartalmazhatja teljes szövegű folyóiratcikk vagy könyvfejezet néhány, legfeljebb 200 karakter hosszúságú, tartalmilag releváns, a találatokhoz kapcsolódó szövegrészletét („kivonat”) vagy bibliográfiai metaadatait. Kivonatok vagy metaadatok megosztása esetén a cikkekre vagy könyvfejezekre mutató DOI hivatkozás feltüntetése szükséges. Illusztrációk felhasználása esetén az ezekhez kapcsolódó jogok tisztázása szükséges a megfelelő jogtulajdonossal. A TDM Outputnak tartalmaznia kell az alábbi megjegyzést:

*“© Some rights reserved. This work permits non-commercial use, distribution, and reproduction in any medium, provided the original author and source are credited.”*

Előfizető felelős azért, hogy Jogosult Felhasználók és az adat- és szövegbányászati résztvevő bármely további felek a jelen szerződésben foglaltakat megismerjék és betartsák.

Szolgáltató jogosult saját felelősségére és saját költségén megvizsgálni Jogosult Felhasználók és az adat- és szövegbányászati résztvevő bármely további fél által használt digitális környezetet, beleértve a kinyert adatokat, a TDM Outputot, a használt hardvereket és szoftvereket, illetve biztonsági előírásokat, hogy azok megfelelnek-e jelen szerződésben foglaltaknak.

Az adat-és szövegbányászati szolgáltatás az interneten keresztül – Szolgáltató írásbeli meghatalmazásával – Előfizetővel kapcsolatban álló harmadik fél által is hozzáférhető, használható, működtethető kizárólag az Előfizető feladatainak ellátására. Harmadik fél az ily módon létrejött adathalmazt semmilyen más célra nem használhatja fel, és az így létrejött adatokat, kivonatok, TDM outputokat kizárólag elkülönítetten tárolhatja, és nem jogosult arra, hogy az adatokat, kivonatok, TDM outputokat más termékében nem használhatja fel.

Where Snippets and/or bibliographic metadata are distributed, they should be accompanied by a DOI link that points back to the individual full text article or book chapter. Where images are used the Subscriber should clear the rights for reuse with the relevant copyright owner and/or rights holder. Further the TDM Output should include a notice in the following form:

*“© Some rights reserved. This work permits non-commercial use, distribution, and reproduction in any medium, provided the original author and source are credited.”*

The Subscriber will be primarily liable for the compliance of all Authorized Users and the engaged third party vendor with this Agreement.

Supplier will be entitled, at its sole discretion, costs and expense, to audit the Subscriber’s and any engaged third party vendor’s entire TDM environment, which would include the extracted Data, the TDM Output, the hardware environment, software deployed and security controls in place and to ensure compliance with the terms and conditions of this Agreement.

Text and data mining service online may be accessed by, processed, or hosted by, vendors or other third parties retained by the Subscriber only with the express written permission of Supplier and solely for the index and/or process information purposes of the Subscriber. The independent contractor and/or vendor will not ingest the Dataset for any other reasons and will keep such extracted Data, the Snippets, the TDM Output separate and segregated from any other data, and will have no right or ability to use the extracted Data, the

Független szerződéses harmadik személy írásban nyilatkozik, hogy a jelen szerződésben foglalt felhasználási feltételeket betartja, és Szolgáltatónak ezen nyilatkozat másolatát megküldi. Előfizető nem von be olyan harmadik személyt, akik az Európai Unió, Kanada, vagy az Amerikai Egyesült Államok határain kívül működnek.

Előfizető az adat- és szövegbányászatra vonatkozó előírások betartása során is köteles biztosítani – a szokásos üzletmenetben elvárható technikai és más lehetőségekhez képest – az optimális, szerződésszerű követelmények érvényesülését.

A fentiekén túl Jogosult Felhasználók nem alkalmazhatnak

- az adat- és szövegbányászathoz használt online API-n kívül egyéb robotokat, spider-eket, túlterhelő programokat, adathalász eszközöket, algoritmusokat használni folyamatos és automatikus keresésekhez, letöltésekhez, adatkinyeréshez, deeplinking-hez, indexeléshez, továbbá
- olyan megoldásokat, amelyekkel a TDM Output egyenértékű lehet az Előfizetett Termék részét képező, bírált folyóiratcikkkel, és/vagy helyettesíthet és/vagy kiválthat meglévő termékeket, szolgáltatásokat vagy megoldásokat, vagy részt vevő harmadik fél termékét vagy szolgáltatását javíthatja.

#### VI.2. Örökös hozzáférés:

Jelen szerződés megszűnése esetén Előfizető Intézmények hozzáférése a szerződéses évek alatt megjelent tartalmakhoz a ScienceDirect online platformján a következő módok valamelyikével valósulhat meg:

(1) Előfizető Intézmény Előfizetett Termék egy részét vagy egészét átveszi, betölti és külső tárhelyen hozzáférhetővé teszi Jogosult Felhasználói számára

(2) Továbbra is online Szolgáltató elektronikus platformján hozzáfér a korábbi Előfizetett Termékhez

Snippets and the TDM Output in any other product or service offering.

Independent contractors and/or vendors will agree in writing to agree and comply with the terms and conditions of this Agreement and will provide Supplier a copy of such written statement. The Subscriber will not appoint independent contractors and/or vendors which are located outside the European Union, Canada or the United States of America.

The Subscriber will exercise the same degree of care and apply the same level of security control with respect to the use of the text and data mining service online and the activities under this Agreement as with the Subscriber's own product and services.

As additional restriction in this usage grant, the Subscriber and its Authorized Users may not:

- use any robots, spiders or other automated downloading programs, algorithms or devices to search, screen-scrape, extract, or index any Supplier web site or web application, other than the text and data mining service online via an API; nor
- utilize the TDM Output in a way that would compete with the value of the final peer review journal article or the Subscribed Products, or have the potential to compete with, to substitute and/or replicate any other existing Supplier products, services and/or solutions or to enhance the products or services and/or solutions of the engaged vendor.

#### VI.2. Post Termination Access to Subscribed Titles:

Upon termination of all of a Consortium Member Institution's annual subscriptions on ScienceDirect online, such Consortium Member Institution may, at its option,

(1) acquire, load and technically format on a server that enables access and use by Authorized Users of the Consortium Member Institution an electronic copy of all or part of its Subscribed Titles for the publication years paid for cost and/or

(2) continue to access such Subscribed Titles online for an annual access fee based on the number of full-text

éves díj ellenében, amely a korábbi év letöltései alapján kerül kiszámításra 0,063 EUR / letöltés arányban, és melynek minimális éves díja 400 EUR (amely évente kiigazításra kerülhet). Az ilyen használat a jelen szerződésben foglaltakra figyelemmel történhet, mely felhasználási rendelkezések a szerződés lejártát követően is érvényben maradnak.

Az éves hozzáférési díjakat Szolgáltató és Előfizető közösen határozzák meg 30 napos határidővel a teljes és előzetesen egyeztetett használati adatok, és egyéb szempontok figyelembe vételével. Az így hozzáférhető tartalom eltérhet a szokásos online megjelenítésnél megszokott funkcióktól, a hivatkozások és egyéb jellemzők tekintetében.

Amennyiben egyes folyóiratok kiadását Szolgáltató megszünteti, vagy Előfizető Intézmény nem fizet elő bizonyos címekre, de adott intézmény az előfizetői kör tagja marad és Szolgáltató továbbra is rendelkezik ezen tartalmak jogaival, úgy ezen címek korábban előfizetett évfolyamaihoz Előfizető Intézmények minden további költség nélkül továbbra is hozzáférhetnek.

**VI.3.** Az Előfizető minden tőle telhetőt megtesz annak érdekében, hogy:

- az Előfizetett Termékekbe való belépést és azok használatát csak a Jogosult Felhasználói kör számára biztosítsa, valamint hogy minden Jogosult Felhasználóját előre tájékoztassa a jelen szerződésben rögzített feltételekről és megkötésekről, továbbá vállalja, hogy ezek tiszteletben tartását számon kérje a Jogosult Felhasználóktól;
- biztosítsa, hogy az Előfizetett Termékekhez kapcsolódó bármely hitelesítési kód vagy jelszó kizárólag a Jogosult Felhasználók részére váljon megismerhetővé, továbbá hogy sem ő, sem a Jogosult Felhasználók nem szolgáltatják ki ezen belépési kódokat harmadik fél részére; továbbá
- amennyiben tudomására jut, hogy az Előfizetett Termékeket bárki engedély nélkül használja, haladéktalanul értesítse erről a Szolgáltatót, és megtegye a szükséges intézkedéseket a jogosulatlan használat megszüntetésére, és további hasonló esetek kiküszöbölésére;
- az Előfizetett termékek hozzáférést és használatát a Jogosult felhasználók körére korlátozza és tájékoztassa a Jogosult felhasználókat a jelen Szerződésben foglalt

articles downloaded from such titles during the prior twelve (12) months at a rate of EUR 0.063 per download, with a minimum annual fee of EUR 400 (adjusted annually for inflation and cost increases) for the Subscriber's access to the platform, in accordance with the usage provisions of this Agreement, which provisions will survive the termination of the Agreement.

Supplier will make available for inspection by a duly authorized auditor of the Consortium Member Institution, at the Consortium Member Institution's sole expense, the records concerning the calculation of the annual access fee once per year during regular business hours upon thirty (30) days written notice to Supplier.

If a particular Subscribed Title is withdrawn by Supplier or not renewed by the Consortium Member Institution, but the Consortium Member Institution remains a ScienceDirect online subscriber, the Consortium Member Institution may continue to access online, at no additional charge, such formerly Subscribed Title for the publication years paid provided that Supplier continues to hold the electronic rights thereto.

**VI.3.** The Subscriber shall use reasonable efforts to:

- limit access to and use of the Subscribed Products only to Authorized Users and notify in advance all Authorized Users of the conditions and usage restrictions set forth in this Agreement and that compliance with such restrictions shall be accounted for;
- ensure that any passwords or credentials to access the Subscribed Products is made available only to Authorized Users, and that neither Subscriber nor the Authorized Users do not divulge any passwords or credentials to any third party; and

- limit access to and use of the Subscribed Products to Authorized Users and notify the Authorized Users of the usage restrictions set forth in this Agreement and that they must comply with such restrictions;

felhasználási korlátozásokról és azok betartásának szükségességéről;

- az Előfizetett szolgáltatásokhoz való hozzáféréshez szükséges jelszavakat és igazoló adatokat kizárólag Jogosult felhasználók részére adjon ki, ne adjon ki jelszavakat és igazoló adatokat harmadik fél részére, valamint tájékoztassa a Jogosult felhasználókat, hogy ne adjanak ki jelszavakat és igazoló adatokat harmadik fél részére;
- amint tudomást szerzett bármiféle jogosulatlan felhasználásról értesítse a Szolgáltatót és tegye meg a szükséges lépéseket, hogy megszakítsa ezt a tevékenységet, és hogy megakadályozza az ilyen esetek ismételt előfordulását.

- inform Supplier and take appropriate steps promptly upon becoming aware of any unauthorized use of the subscribed services, to end such activity and to prevent any recurrences.

Az Előfizetett Termékek jogosulatlan használata esetén Szolgáltató felfüggesztheti a termékekhez való hozzáférést, és/vagy kérheti, hogy az Előfizető és az Előfizető Intézmények függesszék fel a termékekhez való hozzáférést azon a belépési helyszíne(ke)n, ahol a jogsértő belépést regisztrálták. Az Előfizető nem tartozik felelősséggel a Jogosult Felhasználói általi jogosulatlan termékhasználat miatt mindaddig, míg be nem bizonyosodik, hogy Előfizető szándékos magatartásával lehetővé tette vagy engedélyezte a jogosulatlan hozzáférést az arra figyelmeztető értesítés kézhez vétele után.

In the event of any unauthorized use of the Subscribed Products, Supplier may suspend the access and/or require that the Consortium and relevant Institution(s) suspend the access from where the unauthorized use occurred upon notice to the Consortium and relevant Institution(s). The Subscriber will not be liable for unauthorized use of the Subscribed Products by any Authorized Users provided that the unauthorized use did not result from the Subscriber's own negligence or wilful misconduct and that the Subscriber did not permit such unauthorized use to continue after having actual notice thereof.

#### VI.4. Előfizetett Termékek használatának korlátai

Authorized Users who are individuals who are independent contractors or are employed by independent contractors may use the Subscribed Products only for the purposes of the contracted research work for the Subscriber.

Előfizető tudomásul veszi, hogy az Előfizetett Termékhez kapcsolódó minden jog, címhasználat és érdek a Szolgáltatónál és partnereinél marad, kivéve a jelen szerződésben foglalt jogosultságokat azzal, hogy az Előfizetett termék online módon történő jogosulatlan megosztása és terjesztése vagyoni és további helyrehozhatatlan károkat okoz Szolgáltatónak.

The Subscriber acknowledges that all right, title and interest in and to the Subscribed Products remain with Supplier and its suppliers, except as expressly set forth in this Agreement, and that the unauthorized redistribution or dissemination online of the Subscribed Products could materially and irreparably harm Supplier and its suppliers.

A szabályzatok a szabványoknak megfelelnek és összhangban vannak a vonatkozó jogszabályokkal. Előfizető vállalja, hogy haladéktalanul értesíti Szolgáltatót, ha úgy véli, hogy az itt közölt bizalmas információk titkosságát vagy biztonságát megszegték és együttműködik a Szolgáltató ésszerű kérelmével, hogy megfelelő lépéseket tegyen a szabálysértés megszüntetését illetően, valamint az újbóli előfordulás megakadályozása érdekében.

**VIII.1.** This Agreement may be amended solely in writing according to PPA 141 §.

**VIII.2.** Szolgáltató a Kbt. 136 § (1) bekezdés a) pontjában foglaltakra figyelemmel kijelenti, hogy nem fizet, illetve számol el a jelen szerződés teljesítésével összefüggésben olyan költségeket, amelyek a Kbt. 62. § (1) bekezdés k) pont ka)-kb) alpontja szerinti feltételeknek nem megfelelő társaság tekintetében merülnek fel, és melyek a Szolgáltató adóköteles jövedelmének csökkentésére alkalmasak.

**VIII.2.** Supplier states in respect of PPA § 136 (1) a) that it shall not pay or account for costs incurred related to the performance of this Agreement which have arisen with regard to an entity not meeting the requirements set out in PPA § 62 (1) k) sub-points ka)-kb), and which may reduce Supplier's taxable income.

**VIII.3.** Szolgáltató köteles a jelen szerződés teljesítésének teljes időtartama alatt Előfizető előzetes írásbeli kérése alapján tulajdonosi szerkezetét az Előfizető számára megismerhetővé tenni. Szolgáltató a jelen Szerződés időtartama alatt írásban, haladéktalanul köteles tájékoztatni Előfizetőt minden, a tulajdonosi szerkezetében bekövetkezett releváns változásról, a megváltozott és az új adatok, valamint a változás hatályának megjelölésével.

**VIII.4.** Szolgáltató a jelen szerződés teljesítésének teljes időtartama alatt haladéktalanul írásban köteles Előfizetőt értesíteni a Kbt. 143. § (3) bekezdésében megjelölt ügyletekről.

**VIII.5.** A külföldi adóilletőségű Szolgáltató a jelen szerződés aláírásával meghatalmazást ad arra vonatkozóan, hogy az illetősége szerinti adóhatóságtól a magyar adóhatóság közvetlenül beszerezhet a Szolgáltatóra vonatkozó adatokat az országok közötti jogsegély igénybevétele nélkül, figyelemmel a Kbt. 136. § (2) bekezdésében foglaltakra.

**VIII.6.** Vis Maior: egyik fél sem köteles viselni a felelősséget a másik fél irányában olyan veszteség vagy kár miatt, amely a jelen szerződés egyes vagy valamennyi rendelkezéseinek késedelmes, vagy nem teljesítése miatt jelentkezik, feltéve, hogy a késedelem vagy nem teljesítés részben vagy egészben olyan történések, események vagy okok következménye, amelyek kívül esnek bármelyik fél tehetségén és képességén, illetve amelyre befolyása egyáltalán nincsen. Ilyen történések, események vagy oknak minősül különösen bármilyen sztrájk, munkajogvita miatti szünet, lázadás, háború, földrengés, tűz és robbanás, de a fizetéképtelenség kifejezetten nem ilyen oknak minősül.

**VIII.7.** A jelen szerződésből eredő bármilyen vitát a felek megegyezéssel igyekeznek rendezni. Ennek hiányában a felek a hatáskörrel és illetékességgel rendelkező magyar bíróságoknak vetik alá magukat.

**VIII.8.** A jelen szerződésre a magyar jog irányadó. A jelen szerződés egymásnak mindenben megfelelő magyar és angol nyelvű változatban készült. A magyar és az angol változat közötti bármely eltérés vagy ellentmondás esetén a szerződés angol nyelvű változata az irányadó.

**VIII.9.** Ha a jelen szerződés egy vagy több rendelkezése érvénytelenné válna, úgy e körülmény az érvényes részeket nem érinti. Az érvénytelen részt úgy kell értelmezni, ahogyan az a szerződéskötő felek eredeti akarata szerint érthették, figyelemmel a törvényes korlátokra.

**VIII.3.** The Supplier is obliged to, upon prior written request of the Subscriber and subject to confidentiality, disclose its structure of ownership to the Subscriber during the full period of performance of this Agreement. Beside its disclosure obligation the Supplier shall notify the Subscriber without delay of any material and relevant changes related to its structure of ownership, indicating the former and latter data and their validity.

**VIII.4.** During the full period of performance of this Agreement Supplier shall notify the Subscriber in writing without delay of all transactions set out in PPA § 143 (3).

**VIII.5.** Supplier – having his fiscal domicile in a foreign country – is obliged to attach an authorization to the Agreement stating that data concerning the Supplier may be acquired by the Hungarian National Tax and Customs Authority directly from the competent tax authority of the Supplier's fiscal domicile, without using the legal aid service established between the countries in respect of PPA § 136 (2).

**VIII.6.** Force Majeure: neither party shall incur any liability to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement if such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the reasonable control and without negligence of the parties. Such events, occurrences, or causes will include, without limitation, strikes, lockouts, riots, acts of war, earthquakes, fire and explosions, but the inability to meet financial obligations is expressly excluded.

**VIII.7.** Any dispute that may arise shall be settled in mutual agreement of both Parties. In case a dispute is not settled with one accord, it is to be solved by a competent court of justice having competence in Hungary.

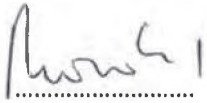

**VIII.8.** The governing law of this Agreement shall be Hungarian law. This Agreement has been prepared in a Hungarian and an English version fully corresponding to each other. In case of any differences or discrepancies between the two versions, the English version shall prevail.

**VIII.9.** Should one or several clauses of this Agreement be or become invalid, the validity of the other clauses will not be affected. The invalid clause will be reinterpreted so as to achieve the originally intended purpose of the parties- as long as legally acceptable.

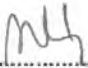

**VIII.10.** A vonatkozó adatvédelmi előírásoknak megfelelően Szolgáltató Előfizető előzetes írásbeli beleegyezése nélkül nem továbbíthat előfizetői körön kívül eső harmadik félnek a jelen szerződésben nem meghatározott célra a Jogosult Felhasználókra vonatkozó személyes adatot

Jelen szerződés 3, egymással mindenben megegyező magyar és angol nyelvű példányban készült, amelyből 1 példány a Szolgáltatónál, 2 példány pedig az Előfizetőnél marad.

**NYÍLT HOZZÁFÉRÉS / OPEN ACCESS PILOT TERMS**

1. All Corresponding Authors, as defined below, and affiliated with \_\_\_\_\_ (the “Consortium”) shall have the right to submit during the term of the 1st of July 2019 - 31st of December 2021 subscription agreement between the Consortium and Elsevier (“Agreement”) to be counted as submitted after the 1st of July 2019, a total of 500 journal article manuscripts for publication for the calendar year 2019, a total of 1000 journal article manuscripts for the calendar year 2020 and a total of 1000 journal manuscripts for the calendar year 2021, as part of the total contract value, in eligible Gold Open Access and hybrid journal titles, as part of the Elsevier-EISZ Open Access Pilot (“Pilot”).
2. The Gold Open Access and hybrid journals published by Elsevier, which are available for the Pilot are attached in Exhibit A to this Appendix 5, as may be updated from time to time by Elsevier.
3. In Elsevier’s journal workflow, corresponding authors affiliated with the Consortium and/or its institutions (“Corresponding Author(s)”) will specify their affiliation and the research funding. Based on this data, Elsevier will provide the Corresponding Author with the relevant publishing options. On the Elsevier Open Access platform (the “EOA Platform”), Elsevier shall preselect the open access option of the eligible Open Access journal titles under the Pilot on behalf of the Corresponding Author prior to their online selection of the Open Access model. Corresponding Authors will retain the option to opt out of Open Access and choose to publish under the subscription model.
4. In the event a Corresponding Author has chosen Gold Open Access, the journal article, if accepted for publication in the journal included in the Pilot, shall be published under a CC-BY, or CC-BY-NC-ND license as determined by the submitting Corresponding Author, subject to the conditions and process set forth herein.
5. The Consortium will have access to the EOA Platform to validate the eligibility of the author for this Pilot.
6. The EOA Platform will present the Consortium representative with all information needed to validate, on behalf of the Consortium and its institutions, the eligibility of the author for the Pilot, such as the details of the Corresponding Author, DOI, article title, article type, journal title, research funding and the APC, to the extent that the Corresponding Author has provided such information.
7. In the event the maximum number of journal articles under the Pilot has been reached during any calendar year, the then current Elsevier article publishing charges (“APCs”) set forth at <https://www.elsevier.com/books-and-journals/journal-pricing/apc-pricelist>, will apply. Any unused journal articles shall not carry over to the next calendar year.
8. In addition to and outside the scope of the Pilot, 5 APC vouchers (i.e. 1 for the initial 6 month period + 2 for the second year+2 for the third year of the Agreement) are granted to Corresponding Authors for Gold Open access publishing after 1st July 2019 in the following journal, subject to the terms of the Pilot:

I. RECITALS

1. Felek megállapítják, hogy Előfizető a közbeszerzésekről szóló 2015. évi CXLI. törvény (a továbbiakban: Kbt.) Második Rész 98. § (2) bekezdés c) pontja szerinti hirdetmény nélküli tárgyalásos közbeszerzési eljárást folytatott „Elsevier adatbázisok - 2019.” tárgyban, mely közbeszerzési eljárás nyertese a 1. rész vonatkozásában Szolgáltató, mint nyertes ajánlattevő lett, és amelynek eredményeként a Kbt. 131. §-a alapján Felek között előfizetői szerződés (a továbbiakban: szerződés) jött létre 2019. október hónap 22. napján.

1. Parties establish that Subscriber conducted a public procurement as a negotiated procedure without prior publication of a contract notice by virtue of Article 98 (2) c) of Part Two of Act CXLI of 2015 on Public Procurement (hereinafter "PPA") on 'Elsevier adatbázisok - 2019.', the winning tenderer of which with respect to Part 1 of the procedure is Provider, and consequently Parties entered into a subscription agreement (hereinafter the "Contract") pursuant to PPA § 131 on 22th October 2019.

2. Felek rögzítik, hogy a Szerződést a Kbt. 141. § (6) bekezdése alapján módosítani kívánják az alábbi indokra figyelemmel:

2. Parties agree that they intend to amend the Contract subject to PPA § 141 (6) with regard to the following reason:  
In Appendix 5 the number of the journal article manuscripts which can be published by the corresponding authors affiliated with the consortium member institutions for the calendar year 2021 will be amended ie. it increases by 70.

A szerződés III.1. pontjában, valamint a szerződés 1. számú mellékletében meghatározott, kumulált előfizetési díj összege módosul, tekintettel arra, hogy a szerződés 2. számú mellékletében felsorolt előfizető intézmények összetételében változás történt, az alábbiak szerint:

A Kbt. 141. § (6) bekezdése alapján a közbeszerzési szerződés jogszerűen módosítható:

„A (2) és (4) bekezdésben szabályozott eseteken kívül, a szerződés új közbeszerzési eljárás lefolytatása nélkül akkor módosítható, ha a módosítás nem lényeges. A szerződés módosítása lényeges, ha az eredeti szerződéses feltételektől lényegesen eltérő érdemi feltételeket határoz meg. A módosítást mindig lényegesnek kell tekinteni, ha

a) olyan feltételeket határoz meg, amelyek ha szerepeltek volna a szerződéskötést megelőző közbeszerzési eljárásban, az eredetileg részt vett ajánlattevőkön (részvételre jelentkezőkön) kívül más ajánlattevők (részvételre jelentkezők) részvételét vagy a nyertes ajánlat helyett másik ajánlat nyertességét lehetővé tették volna;

b) a módosítás a szerződés gazdasági egyensúlyát a nyertes ajánlattevő javára változtatja meg; vagy

c) a módosítás a szerződés tárgyát az eredeti szerződésben foglalt ajánlattevői kötelezettséghez képest jelentős új elemre terjeszti ki.”

By virtue of PPA § 141 (6) the Contract may be lawfully amended:

“Apart from the cases defined in Subsections (2) and (4), contracts may be amended without a new procurement procedure if the modification is not considered to be substantial. An amendment of a contract shall be considered to be substantial where it renders the contract materially different in character from the one initially concluded. In any event, an amendment shall be considered to be substantial if:

a) the amendment introduces certain conditions which, had they been part of the initial procurement procedure, would have allowed for the admission of other tenderers (candidate tenderers) than those initially selected or for the acceptance of a tender other than that originally accepted;

b) the amendment changes the economic balance of the contract in favor of the successful tenderer; or

c) the amendment extends the scope of the contract considerably, introducing a new element as regards the subject-matter of the contract relative to the tenderer’s obligation fixed in the original contract.”

A jelen szerződésmódosítás eredményeként a szerződés III.1 pontjában, valamint a szerződés 1. számú mellékletében foglalt táblázatban az előfizetői díj összesen helyesen nettó 13.033.146 EUR, minek következtében nem változik a szerződés általános jellege, a megváltozott feltételek illeszkednek az eredeti szerződés jellegéhez.

Felek rögzítik továbbá, hogy a jelen tényállás szerinti szerződésmódosítás nem tekinthető lényegesnek. A módosítás nem határoz meg olyan feltételt, amely ha szerepelt volna a szerződéskötést megelőző közbeszerzési eljárásban, az eredetileg részt vett ajánlattevőn kívül más ajánlattevő részvételét vagy a nyertes ajánlat helyett másik ajánlat nyertességét lehetővé tette volna tekintettel arra, hogy a közbeszerzés lefolytatására a Kbt. 98. § (2) bekezdés c) pontja alapján került sor, a szerződés teljesítésére kizárólag Szolgáltató képes, a szerződésmódosítás nem érinti Szolgáltató kizárólagos jogát.

A módosítás a szerződés gazdasági egyensúlyát a nyertes ajánlattevő javára nem változtatja meg. A jelen tényállás szerinti szerződésmódosítás a szerződés tárgyát (adatbázis szolgáltatása) nem változtatja meg.
